– **Conference location** –

The conference will take place in the building ISTIL-EPU of University Lyon 1. The campus of the University Lyon 1, also called « Domaine de la doua », is located at Villeurbanne. The exact address is 15 boulevard André Latarjet (in Villeurbanne) which is parallel to 43 boulevard du 11 novembre 1918.

The best option is to use TCL network and reach the « Charpennes » station. Then you can walk from « Charpennes » to the conference building ISTIL-EPU (see next picture with estimated time : 10-15 mins). You can also take the Tramway T1 in « Charpennes » station, direction « IUT Feyssine » and stop at « Condorcet ». Note that tramway will be probably replaced by a bus because of construction from « Charpennes » station to « Condorcet » station.
